

We are gathering intelligence to develop a robust recovery strategy for all Dacorum businesses and to inform that strategy we are talking to as many businesses as we can.

We are conducting a survey with all size businesses, in all sectors to ensure we can tailor our strategy to maximise recovery. This data will also be shared with partners in other government business organisations on a confidential basis to ensure that the right strategies will be considered at all levels going forward, local, county and UK wide. This should not take longer than 15 minutes.
