Robert Stringer,
Stringer Mann
Financial Planners:

"Very informative, lots of relevant local news and articles. We advertise and it is great for local awareness. The team work hard to get it right, local and worthwhile."

We always know when we stop advertising as our enquiry levels drop off – quite considerably.

Insert Service

Did you know that Living Magazines offer a leaflet distribution service across Tring, Berkhamsted and the surrounding villages?

If your organisation is looking to attract the interest of local residents and businesses, leaflet delivery is a highly effective marketing strategy and we can help.

An eye-catching leaflet would attract attention and share your message with those living and working on your doorstep. We suggest that you use bold graphics, concise information and an offer (such as 10% off on presentation of this flyer) to maximise the impact.

The Tring and Berkhamsted Living Magazines are A5, so we can include single sheet, folded or multi-page A5 flyers and leaflets within the package. Deliveries are made in March (Spring edition), June (Summer edition), September (Autumn edition) and December (Winter edition), so you may choose to tailor your message to the appropriate season.

We can only accept a maximum of 6 inserts per magazine and because they are delivered within the package they are more likely to be retained and read.

The simplest option is for us to design your insert, arrange printing and organise delivery to our distributor.

Alternatively, you can arrange your own design and print, and arrange for them to be delivered to our distributor.

We are the **only** magazines distributing via the Royal Mail. Guaranteed door to door delivery service and to **every** postcode within HP4 and HP23.

Price on application, subject to weight and quantity.

Sponsorship Opportunities

Sponsorship is a fantastic way to place your business in the hands of local clients and help you to stand out from the competition.

Living Magazines are packed with features including Property, Health and Beauty, Gardening, Kids, What's On and Pets, as well as an extensive News section. By selecting the feature that best relates to your business, you can have a highly visible reference to your business and an advert if you wish, on the pages that your target customers and businesses are reading.

In addition to an advert, we can offer you the chance to add commentary on your sponsored page. This can be used to provide valuable advice, answer frequently asked questions or showcase a seasonal product or service. Feature commentary helps your business be seen as approachable, familiar and an expert in your field. With regular exposure, readers will get to know you as the 'go-to' business.

Sponsorship packages will apply to both Magazines for one or multiple issues.

Prices start from £199.

Online Advertising

Could your business benefit from advertising on our website?

As the 'go-to' place for local information, we actively attract a steady stream of local residents to our website by regularly updating the online 'What's On' guide and local 'News' pages. In addition, people living a little outside our delivery postcodes come to read lifestyle articles and get updates online.

Top banner advertising

The first thing you see when visiting the Living Magazine website is the static top banner. Choose your page and your advert could be proudly displayed in this prime position, promoting your business.

Showcase your services and make your brand instantly recognisable with a top banner advert. The size is 1456 x 180 pixels.

Prices start at **£100 per year**.

Standard display advertising

Prices start at £100 per year. Living Magazine offers two standard static advertising spots: two medium rectangles located on the right-hand side of every page (except What's On and News). These two medium rectangles are 300 x 250 pixels each costing **£25 per month**.

What's on advertising

There is no charge for submitting your event, which will be published online and will usually find its way into the magazines as well, provided it is submitted in time.

We also offer a highlighted listing for just £15 (per issue), plus VAT. This will make your event stand out to our readers and gives you the opportunity to include a non-branded image.

To place a branded advert (i.e including a poster or logo) in the magazines, you can book a small strip advert for £65 (per magazine), plus VAT. Please email advertising@livingmags.info before the booking deadline to secure your place.

For an event listing, download the spreadsheet below, fill in your event information and email it to info@livingmags.info. [Download Event Spreadsheet](#)

e-Newsletter

Once a quarter is not enough for many of our readers, so they have subscribed to receive our monthly e-Newsletter. The e-Newsletters deliver local news and events directly to our readers' inboxes in between our quarterly magazines.

As a local company, you might find that regular updates suit the nature of your business more than the quarterly magazines. For this reason, we offer you the opportunity to raise the profile of your business by sponsoring our e-Newsletter, or advertising within it.

Quality list

Every subscriber has personally signed up to receive the e-Newsletter. They live, work and shop in Tring, Berkhamsted or the surrounding villages and are keen to support local events and businesses. As such, we have fully compliant access to a quality list of recipients.

e-Newsletter sponsorship

Living Magazines promote only one headline sponsor each month. For £100 +VAT your company or product artwork will be prominently displayed with commentary and a link to our website for a further full page of copy with link to your website. This is a fantastic way to showcase your involvement with and support for the community, whilst building brand awareness with a direct call to action.

e-Newsletter advertising

For £25 +VAT a month, advertising in the Living Magazine e-Newsletter could be a better option for your business. In a digital format, your advert can include direct links to a relevant website page, event booking form or even a blog article as an effective way to generate strong leads.

The size of an advertisement within the newsletter will be 250 x 250 pixels.

We can provide a design service if required.

If your company is looking for a regular, local marketing opportunity, access to this quality list is the sponsorship or advertising prospect for you!

Terms & Conditions

1. Order placement

All advertisement orders will be confirmed by email. All clients will be required to complete a confirmation form, which should be sent to advertising@livingmags.info by the final booking date or before. It will be deemed that, by advertising with us, you have accepted these terms and conditions. This forms a solid contract between both parties along with the following:

2. All advertisers must pay on booking.

Any previous order by an advertiser does not guarantee the right to renew on the same or similar terms and is subject to availability.

3. All advertisements must meet with the Code of Advertising Practice and Trade Descriptions Acts of Parliament. The advertiser indemnifies Living Magazines in respect of any claim made against them arising from the advertiser's advertisement. All advertising submitted shall not contain any defamatory, fraudulent, misleading or false statements, or infringe on or unfairly prejudice the legitimate interests of any third party in implication or otherwise. Living Magazines reserves the right to refuse, amend or withdraw any advertisement at its own discretion.

4. All advertising copy must be delivered to Living Magazines by the timing specified in our agreement on placement of the advertising booking. Failure to do so will be deemed an unacceptably late cancellation (see 7). All artwork supplied to Living Magazines is done so at owner's own risk.

5. Design services/costs

Living Magazines' design department aims to be responsive to your requirements. If, however, you need a specific font, you are responsible for supplying it. Otherwise we will use the most suitable typeface we have. All display and classified advertisements designed by Living Magazines and all amends are chargeable.

6. Artwork copyright

All advertising material produced by Living Magazines is for use only in our publications. If you wish to use artwork elsewhere (for flyers and advertising), please ask for our extended artwork licence fee.

7. Cancellation of advertising must be at least 4 weeks prior to copy deadline

In the event of an advertiser failing to supply copy by the required date the full amount will be invoiced to the advertiser. Cancellation on series bookings will not be refunded. Discounts given for series bookings will be charged back to you if series is cancelled. Cancellation of any confirmed booking within the 4 week period prior to our booking deadline will also be subject to an administration fee of £50+VAT.

8. Payment terms

Unless otherwise stated, invoices must be paid in full within 14 days. Adverts and inserts will not be placed if previous invoices have not been paid. We reserve the right to charge interest on late payment in line with the Late Payment of Commercial Debt (Interest) Act (1988) amended 2002. Any invoice outstanding beyond the required period will be referred to our solicitors or a debt collection agency appointed by us and will be subject to a surcharge of whichever is greater of (a) 15% plus VAT or (b) the costs incurred by us plus VAT to cover the collection costs incurred. This surcharge together with all other charges and legal fees incurred will be the responsibility of the advertiser and will be legally enforceable.

9. Methods of Payment

All invoices to be paid by bank transfer. Please make payment to HSBC Bank, account number 21733370, sort code 40-24-07. These details will also appear on your invoice for convenience. We no longer accept cheques.

10. Proof of advertisement placement

One voucher copy will be supplied to the advertiser as standard and mailed in advance of the mass distribution.

11. VAT is payable (at the current rate) on all advertising and any extra agreed design/production charges.

12. Agency discount

Recognised advertising agencies and media independents will be entitled to 10% agency commission provided the invoice is paid by the due date and all other requirements are adhered to.

13. Advertising rates

Living Magazines reserves the right to amend its rates at any time. This will not apply if you have booked a series - your rate protection is guaranteed.

14. Living Magazines shall not be liable for any loss or damage from any error in the publication, late publication, non-publication, inaccurate copy instructions, default by third-party suppliers or subcontractors, or failure of an advertisement to appear due to any reason.

These conditions and all other points expressed above shall be governed and construed in accordance with English Law. For details of our Privacy Policy, please visit our website at www.livingmags.info.
