

TOP TIPS FOR YOUR COVID-19 VACCINATION

Please follow these tips to ensure your COVID-19 vaccination appointment runs as smoothly as possible!

Don't arrive early - there is no need to be too early for your appointment, everyone will be seen.

Wrap up warm - you might have a short wait outside.

If arriving by car - please stay inside your vehicle until 5 minutes before your appointment time. This will help reduce queues and keep you warm!

Wear suitable clothes - please wear short sleeves if possible. Once inside, start taking layers off ready for your jab.

Bring something to read - you may be monitored for 15 minutes after your jab.

Remain socially distanced - stay 2m away from others.

Bring your details - have your appointment details and NHS number with you.
